### Student Insurance

The District provides limited student accident coverage during school hours and activities. Claim forms are available at the District office.

### Bus Service

Transportation will be provided to students residing one mile or more from the school assignment. The following ineligible riders will be picked up for the safety of the children:

- 1. All students who would cross Highway 69 to get to school.
- 2. All students who would live on Highway 92.
- All students who would have to walk along rural Highway 10 to reach Elkhorn Elementary.
- Any other lower elementary students whose route is deemed unsafe as determined by the Superintendent or Deputy Superintendent.
- 5. All kindergarten students will be picked up.

\*Students will be picked up and dropped off at the same bus stop every day. Alternate drop location will not be permitted. (Split custody agreements between parents that both reside in the same district are allowed to have a stop for each parent.)

\*On return home, parents of Kindergarten and Pre-K students must be at the bus stop or students will be returned to their school.

\*If a parent is wanting transportation from a daycare, that information needs to be updated prior to the start of the new school year. The changes need to be made through the student's school.

The transportation department will publish the routes and approximate pick up times. New, and kindergarten students will be notified by mail.
